NEW MURDER TRAIL IN TAYLOR CASE LEADS TO S. F.

**Screen Actress Is Implicated
by Fields Who Tells of
Receiving \$1000 Bill**

By International News Service
LOS ANGELES, Feb. 25.—Tracing a telephone message sent by a woman in Los Angeles to a friend at a hotel in San Francisco, a few hours after William Desmond Taylor was slain, Police Detectives Herman Cline, working under direction of District Attorney Woolwine, was reported to be in San Francisco today checking up on this important new angle in the investigation of the murder case.

In a frantic message over the telephone to San Francisco on the night of the murder, according to Cline's information, the woman, whose name is known to authorities, is said to have told her friend at the hotel in the northern city that she was "in trouble" and needed help.

Mabel Normand, whose physicians say she is seriously ill with influenza at her secluded home in Altadena, was reported to be "somewhat improved" in condition today.

While Fields' story has practically been discarded because of its improbabilities, the theory that Taylor was slain by "dope" peddlers whom he fought to save the woman he is said to have loved, is still being given serious consideration in the investigation.

Actress Implicated
DETROIT, Mich. Feb. 25.—Pinned down by police, who continued to question him over seeming conflicts between his story and the official records, Harry N. Fields, jail prisoner who confessed a hand in the murder of William Desmond Taylor, today admitted two of the alleged principal names he had given were fictitious.

He refused to divulge anything further until given a written guarantee from Los Angeles he would not be hanged for his part in the crime.

"I haven't told half of what I know," he declared. "And I won't clear up the main points until Prosecutor Woolwine promises not to hand me. I expect to do a prison stretch, but I don't want to hang."

Fields said one of the fictitious names he gave was a famous screen actress. He said that the actress hired him and three others, including a Chinese, a woman and a gunman of Los Angeles to kill Taylor, paying them \$1000 each.

The actress was madly jealous of attentions paid to another movie star by Taylor and plotted his death, Fields said.

**BUILDING BOOMING
AROUND MONTROSE**

**Water Companies Report Near-
by Communities Increasing
Population Rapidly**

Three new subdivisions are to be thrown on the market at Montrose, it is learned, and this will add impetus to the community north of Glendale, in which so many local people are interested.

It was eight years ago when the Holmes-Walton company first saw the beauties of the hilltop side of La Crescenta, with its altitude and ocean view, and they flung the vast tract on the market after holding a barbecue.

Hardly had this happened when the world war began and from then on everything tended to stop development. However, many of those who had built or bought homes there held out all this time in the hope of better days.

Install Meter Every Day
The number of residences has doubled at Montrose in the last 90 days, it is authoritatively stated by W. M. Mills, secretary of the Crescenta Mutual Water company, which supplies that section. "We install a meter and sometimes two every day now."

In this connection, it might be stated that all of the back country tributary to Glendale is growing beyond the fondest expectations of the oldest settlers. According to Mr. Lanterman of the Valley Water company, La Canada has more than doubled in population with the activity on the Flintridge side of the valley.

At Tujunga, Engineer H. B. Lynch, heads the Haines Canyon Water company that is doing everything possible to keep up with the rapid growth of that town which soon will become an incorporated city of the sixth class, it is believed.

On several different occasions it has been suggested that some day Glendale will encircle Mt. Verdugo and the foothills and include not only these communities, but the cities of Eagle Rock and Burbank, as well.

TREATIES' MEANING IS EXPLAINED BY DR. FRANCIS

**Baptist Tri-Mu Bible Class Has
Spirited Program After
Delicious Supper**

A large night was observed yesterday by the Tri-Mu Adult Bible class of the Baptist church which entertained over 150 of its friends with a spirited program and social.

Dr. James A. Francis, pastor of the First Baptist church of Los Angeles, was the speaker of the occasion. His topic was the recent Disarmament Conference which he declared was the greatest event of its kind in the history of the world. He called attention to the fact that up to this time the energies of world statesmen have been directed towards preparing for war, but that now there is an indication that their power may be directed toward permanent peace.

This conference, according to Dr. Francis, was God giving the United States a second chance to lead the world into peace which she failed to do at the outbreak of the World War when all eyes were on Washington.

Explains Treaties' Meaning
After inquiring how many people really knew what the new treaties mean, Dr. Francis explained that the four-power treaty means the scrapping of 820,000 tons of battle ships; the five-power treaty means an agreement to avoid possible conflicts in the Pacific; and the nine-power treaty means the beginning of a new day for China.

Following the pronouncement of the invocation by Rev. E. E. Ford, pastor of the Baptist church, he made a short talk upon the development of the Tri-Mu class, which stands for the three M's—mind, morals and muscle and the development of the whole man, and commented upon its growth from a membership of twelve two years ago to an enrollment of over a hundred at the present time.

Mr. and Mrs. Harry Girard and Mayor Spencer Robinson furnished a portion of the musical program, singing a number of songs in characteristic manner, which met an appreciative response. Mr. and Mrs. Girard sang "Barcarolle" by Chaminade; "Land of Long Ago" by Lillian Ray, and, by special request, Mr. Girard's composition, "Mother Love." As a solo, Mr. Robinson sang an Irish love song and with Mr. Girard "Beautiful Isle of Somewhere" and "Mother Macdoree." There was the usual good-natured banter between them.

Under the leadership of R. E. Olin, president of the class, several selections were played by a portion of the Elks' Orchestra.

Supper was served in the basement of the church. The menu consisted of "man-made" sandwiches, which received much praise, cheese, raisins, olives, radishes, celery, coffee, brick ice-cream and wafers.

The committee in charge of the affair consisted of Ray Galvin, 1344 North Columbus avenue; R. E. Olin, 409 North Isabel street; J. L. Gray, 533 North Isabel street; Ray Bentley, 1361 North Columbus avenue; J. R. Maxwell, 202 West Park avenue, and Robert Ford, 326 Fairview avenue.

**Glendale Folks Visit
Orange Show, Also at
Goodyear Tire Plant**

Mr. and Mrs. George Kapus of Jefferson, Ia.; Mr. and Mrs. J. S. Baird and Mrs. A. L. Baird of 637 North Orange street; T. C. Young of 400 North Kenwood street; and Mrs. L. C. Rankin of 933 North Orange street, yesterday motored to San Bernardino where they saw the National Orange show after dining at the Glenwood Mission Inn at Riverside.

On Thursday this same party went over to the Goodyear Tire & Rubber company plant, in southwestern Los Angeles, and had the pleasure of seeing the various processes of manufacture. Just to visit this great factory is a good day's work, they report.

**\$10 GOLD GIVEN FREE
TO BOYS AND GIRLS
BY NASH DEALER HERE**

If you saw E. B. Sutton of the Glendale Nash Sales, 207 North Brand boulevard, standing on the street corner giving away \$10 gold pieces, what would you think?

Certainly, you would accept one, provided it was honest!

Well, it is a legitimate proposition and while Mr. Sutton will be found at his Nash agency instead of a street corner, the details of the offer are these:

Any boy or girl bringing him the name of a person needing a renewed car will be given \$10 if a deal is made in the next 30 days.

Do a little detective work, youngsters!

PREMIER POINCARÉ AND LLOYD GEORGE IN AGREEMENT
BOULOGNE, France, Feb. 25.—Premier Lloyd George and Premier Poincaré reached an agreement upon international issues at a conference here this afternoon. It was said that a formal communiqué would be issued later.

PRESIDENT'S WESTERN AND ALASKAN TRIP STILL HAZY
WASHINGTON, Feb. 25.—President Harding's plan for a three months' western and Alaskan trip is yet hazy and indefinite, he informed a committee of the American Institute of Banking, which called upon him today with an invitation to address their convention in Portland, Ore., next summer.

HARDING CALLS IN PARTY LEADERS ON NAVY SLASH
WASHINGTON, Feb. 25.—President Harding today summoned the republican members of the American Institute of Banking, which called upon him today with an invitation to address their convention in Portland, Ore., next summer.

THIRTY TONS OF DYNAMITE EXPLODE NEAR CHICAGO
CHICAGO, Feb. 25.—Chicago's knees quit shaking and its hair settled back on its scalp today as it was learned that the explosion that shook almost the entire city and an area for fifty miles around was not an outbreak of bomb-throwers' terrorism. The explosion resulted when thirty tons of dynamite in the stone crushing plant of the Consumers' company at McCook, southwest of the city, let go.

GASSER IGNITES NEARBY HOME AT SANTA FE SPRINGS
LOS ANGELES, Feb. 25.—Taking fire from intense heat radiated 300 feet by the burning Howard gas well No. 1 at Santa Fe Springs, a recently completed bungalow on the Norwalk-Puente road, belonging to W. H. Hepler, burst into flames early today and was totally destroyed. The loss was \$6000. Neighbors and members of the family, responding to calls of watchmen, carried many articles of furniture to a point of safety before the dwelling was consumed.

COLONEL HARVEY AGAIN PUT ON PAN BY PAT HARRISON
WASHINGTON, Feb. 25.—Col. George Harvey, American ambassador to Great Britain, was again "put on the pan" today in the United States senate. Following Senator Reed's criticism of yesterday, in which he declared he would "almost be willing to repeal the prohibition laws" to get Harvey back, Senator Pat Harrison, democrat, of Mississippi, attacked Harvey today for comparing President Harding to an elephant. Harrison, reading from a dictionary, solemnly assured the senate that an elephant was noted for its "solid ivory" and carried "wood on its head."

YELLOWLEY RETURNS TO CAPITAL WITH WET REPORT
WASHINGTON, Feb. 25.—E. C. Yellowley, who has been conducting an investigation of prohibition enforcement conditions on the Pacific coast, is due to arrive here tonight with a report for Prohibition Commissioner Haynes, it was stated at the internal revenue bureau today. It is understood that Yellowley's report will cover his inquiry into charges of Harry Brolaski of a "liquor scandal" in San Francisco. S. F. Rutter, formerly in charge of the federal enforcement organization in Pennsylvania, is now in Washington and will shortly leave for San Francisco to take the place made vacant by the resignation of Prohibition Director Mitchell.

THREE NEW YORK BROKERAGE FIRMS REPORTED BROKE
NEW YORK, Feb. 25.—An involuntary petition in bankruptcy was filed today in the United States district court by creditors against the brokerage firm of Rietze & Sullivan. The petition estimated liabilities of \$25,000 and assets of \$3,000. A second petition in bankruptcy was filed in the United States district court against the brokerage firm of A. R. Smith & Co. The petition stated the firm's liabilities were approximately \$75,000 and assets \$25,000. Another bankruptcy petition—the third of the day—was filed against Heatley, Robles & Smith, dealers in investment securities.

BLUEBEARD LANDRU LOSES HEAD FOR FIENDISH CRIMES
VERSAILLES, Feb. 25.—In the misty dawn, Henri Landru, France's arch murderer, was beheaded on the guillotine before the gate of St. Pierre prison today. He had been found guilty on November 30 of the murder of ten women to whom he had made love and offered marriage, and a boy, the son of one of his victims. Landru protested his innocence to the very end. "I will be brave," were the last words he uttered just before the knife fell. It was eight minutes after 6 when Landru's head rolled from the execution block. He carried with him into the great beyond his secret of the missing women he was convicted of slaying for their savings.

STORM PLAYS HAVOC IN FARMING DISTRICT OF MIDWEST
CHICAGO, Feb. 25.—With abatement of the fury of the storm that has raged through five states during the past four days, leaving virtually the entire northwest buried under snow, reports of damages suffered and lives lost were slowly filtering into Chicago today. These reports placed the death toll at thirteen and losses that will aggregate millions. The head of the Great Lakes region, reported hardest hit of all, is still isolated entirely. No reports were obtainable today as to the loss of life or damage to property in that region. In the rich farming sections of Iowa, though reports are meager, it is believed losses will be extensive. Floods caused by a heavy down-pour of rain and followed by a fierce sleet storm, raised havoc with farmers and stockmen, according to reports.

PRINCESS MARY'S WEDDING CAKE ARRIVES ON TRUCK
LONDON, Feb. 25.—Princess Mary, daughter of King George and Queen Mary, today elected to spend her last week-end before her marriage at Buckingham Palace. She has declined all invitations to appear in public again before her marriage to Viscount Lascelles in Westminster Abbey on Tuesday. The princess will give her final engagement party to a few intimate friends at Buckingham Palace on Monday. The monster wedding cake, standing six feet high and

SEE ROCK ISLAND'S ROCKY TIMES, AND BE GLAD

**Glendale Building More Than
100 Times Faster, City Man-
ager Reeves Learns**

"Glendale is not the only place that is growing," laughed City Manager W. H. Reeves this morning as he picked up a clipping of recent date from the Rock Island Daily Times. "Only four permits were issued this week in Rock Island," remarked the editor. "The total building output was \$730."

One of these permits covered a fire loss of \$75 while the other three authorized the erection of garages to be valued at \$500, \$125 and \$30.

The population of Rock Island, according to the last census, is 35,177. Mayor Spencer Robinson and Councilman Dwight W. Stephenson both came from near Rock Island, I. understand," remarked Mr. Reeves. "They will be tickled to death to see that the old home town is still on the map—going like a house afire."

Four local permits were issued yesterday at the city hall—that is four to one person. George B. Karr of 1152 North Louise street intends to have four four-room \$1500 bungalows erected between 420 and 422 West Windsor road at an expense of \$6000.

February's Record
Two business days left to go in February and building permits for the month today totaled \$355,100, bringing the amount for the year up to \$867,255. Among the latest permits to be issued are the following:

East Broadway, 223	9,000
W. L. Fruit, 6 rooms and garage, 1245 Winchester	4,000
F. H. Voss, 6 rooms, 401 North Isabel	3,500

'Napoleon's Retreat' Provides Pioneer of Valley Unique Home

A quaint, new addition to the growing number of homes in Glendale that bear distinctive and attractive names, as the "Whispering Pines," "Casa Contente," "Palm Villa," and many others equally striking, is a pretty, white, cement-finished house, trimmed with a soft shade of blue that has just been completed on the rear of the lot at 204 East Maple avenue, for Napoleon Le Blanc.

This home has casement windows, and a cozy veranda, tastefully decorated with ferns. Boxed shrubs are at each side of the entrance to the tiny yard, which bears the name "Napoleon's Retreat." The front of the lot is understood to be a prospective apartment site, but "Napoleon's Retreat" faces Maryland avenue, and will always have an attractive frontage, as the avenue will, in all probability, be extended south in time.

Mr. Le Blanc, who is investing heavily in Glendale property, is a pioneer of this section, having been a resident of Burbank for some years, and later living in Tropic. Since the death of his wife, he has moved to this part of Glendale.

He has been retired from business for some time, and is approaching 80 years of age, although he walks as erect and brisk as many a man of 60.

FOUR CIVIL WAR VETS HERE TODAY BOAST OF 303 YEARS TOTAL AGE

Four veterans of the Civil War, whose ages total 303 years, are professional visitors in Glendale today.

The "kid" of the party is 72, and in this age of youth it will make old hearts joyful to know that these boys of '61 appearing at the Glendale Theatre sing and play and dance in a way that seems incredulous to the small boy in the front row.

Yes, one of them has one foot in the grave, but it has been there so long that life with him has become a song.

BEVERLY'S SPEED CLASSIC TO DRAW MANY FROM HERE

**American Drivers Unite to Keep
Any Part of \$25,000
From Bordino**

A large part of Glendale will be away from home tomorrow afternoon, if it doesn't rain.

And a large percentage of the absentees will be found at the Beverly bowl watching the speed merchants burn up the board embankments.

The Washington Birthday classic was pulled off on account of the rain, all of which delighted the drivers as several wanted to work some more on their cars. All are confident they will at least share in the \$25,000 stakes.

The presence of such daring drivers as Sables, DePalma, Murphy, Milton, Hearne, Thomas and other driver, but if assurance the race will be one of the greatest ever driven in the west, but the entrance of Pietro Bordino, daring Italian pilot, has added world color to the contest.

Officials of the event are:

Several Celebrities
Edward R. Maier, referee; Fred J. Wagner, starter; A. A. A. representative, J. V. Smith; technical committee, Geo. F. Stephenson, A. A. A. representative, Paul Hinckley, Teddy Tetzlaff; chief timer, C. H. Warner; assistants, Wm. R. Ruess, G. E. Feagans, L. G. Feagans; score board director, F. W. Okey.

"Beat these foreigners good and make 'em like it is my motto," said Jimmy Murphy. "I think this Pietro Bordino is a great driver and a gentleman—incidentally an excellent driver; but I am not going to let any American money go back to Europe in his jeans if I can help it."

"I wish Bordino luck," said Art Klein. "He'll sure need it if my car can stand the pace I'm going to set the Italian gentleman. He can drive alright, but I'm just egotistical enough to believe that I'll make a monkey of him unless his Fiat is one tough car."

Tommy Milton is another confident entrant. Ralph De Palma says that the Fiat has ten miles an hour more speed than any other car on the course.

ANNUAL CONCERT BY GLEE CLUBS

**Alfred Kastner, Z. Earl Meeker
and Boys and Girls Acquit
Themselves Creditably**

The annual concert of the boys' and girls' glee clubs was given last night in the auditorium of Glendale Union high school. At the close of the program Z. Earl Meeker, director of choral music, received many congratulations. Inclement weather and illness in many families prevented a large attendance. About 250 persons were present.

Alfred Kastner, harp soloist, with the Los Angeles Philharmonic Orchestra, was instrumentalist of the occasion. He played three numbers, including Mendelssohn's "Song Without Words." Much praise was bestowed upon his performance. On account of an engagement to play in Pasadena later in the evening, he was prevented from giving his fourth number.

Meeker's Solos Feature
The featured solos by Mr. Meeker were features of the program. Among them, he sang the "Toreador Song" from "Carmen" and "Vision Fugitive" from "Herodiade." In the interpretation of the dramatic ballad "Danny Deever" by Damrosch, Mr. Meeker was supported by the boys' glee club.

The piano accompanists received much praise. In "My Menagerie" by Fay Foster, Miss Marjorie Hicks, who accompanied Mr. Meeker's solos, imitated quite successfully upon the piano a circus procession passing down the street. Miss Pansy Sheldon emphasized upon the piano the melody of the songs sung by the boys, and Miss Clara Bowling developed the rhythm of the pieces sung by the girls.

Choral Numbers Splendid
The two choral numbers, which seemed to meet the most approval, were "The Rosary" by the girls and DeKoven's "Tinker Song" by the boys. A colorful picture was presented upon the stage by the colors with each dress a harmonizing contrast.

Only nine members of the boys' glee club were present as six were absent on account of illness and other reasons. The six absent were Frederick Terze, Walter Sullivan, Edward Stockbridge, Boyd Taylor, Gordon Kingsley and John Fraley. Those present were: Paul J. Holland, John Henry Richardson, Kenneth Jackson, Frank England, Harold Sprague, Vic Colburn, Paul Chase, Lawrence Knapp, Lloyd Knapp and Loren McKee.

George Kraft Family Calls on Old Friends

Mr. and Mrs. George Kraft and son Kenneth of Chicago, who are wintering in southern California, were calling on former business associates in the Kraft chain stores. A. L. Baird, manager of the real estate department of the R. L. Kent company, and O. W. Andersen, bookkeeper for the J. A. Newton Electric company, aided Mr. Kraft in making a fortune.

LEGIONNAIRES HEAR TALK ON BETTER CITIZENSHIP

**Memory of Community Service
in Wartime Recalled by
Arbury's Address**

"A better citizenship—socially, morally, intellectually and physically."

This was the prediction made for Glendale last night at the meeting of the local post of the American Legion by H. W. Arbury, special representative of the national Community Service organization. That prediction will come true, Mr. Arbury claimed, in case the organization's present plan to promote a local recreational center is carried out.

The purpose of Mr. Arbury's talk to the Legionnaires was that of requesting the post's endorsement of the move, which is being carried out in hundreds of cities in all parts of the country. He told of the history of the Community Service program, which was instituted on the Mexican border in 1916 and conducted during the war, and of its "peace time" policy of supplying "something worth while in leisure time" in American cities and towns.

Outlines Service Plan
The plan of the Service, which is controlled by the army and navy departments, is to furnish the city with an experienced organizer for a period of three months, during which time he will "set up" a program of recreational activities that will contribute largely toward the building up of the community. The project, which was explained as being solely financed by the national organization, will not be undertaken until it has been endorsed by a number of individuals and groups of citizens, principally the American Legion.

Upon motion, the post referred the proposition to the executive committee with power to act.

A unanimous expression of appreciation and gratitude was voted to be (Continued on Page 9)

FRANKLIN TYPOS DEFEAT LOCAL FIVE

**Spectators Kept 'On Edge' and
Glendale Hi Heavyweights
Enjoy Roughhouse**

By HOWARD M'GILLIS
Sporting Editor The Evening News
Coach Howard Butterfield's heavyweight basketball team of the Glendale high school completed its 1922 season in a more or less unsatisfactory manner yesterday afternoon on the local court when the Franklin high printers triumphed in a tord 30 to 15 battle. Although the game was evidently in the hands of the visitors from start to finish Coach Dougherty's players were forced to their utmost at all times, the valiant efforts of the Red and Black performers keeping the spectators continually "on edge."

The first half of the contest was a nip and tuck affair, the period ending with Franklin leading, 14 to 11. The peculiar "five-man defense" formation, which was unsuccessfully used by the Franklin lightweight team on Wednesday, was carried out during this half, making long shots necessary on both sides.

Printers Are Versatile
The printers changed their tactics, however, in the final stanza and played a more conservative game, rolling up 16 points to the opponents' 4. The going closely resembled a roughhouse during the closing minutes of play, numerous fouls being called on both Franklin and Glendale men, with the former having the edge.

Goertz and Cline, playing forward and guard, respectively, were the outstanding members of the locals, while Prnett was the leading basketball shooter, with 10 points.

The lineup:
Glendale Position Franklin
Goertz F. Prnett
Colburn F. Harris
Warthman C. Crandall
Cline C. Godett
Ringstad G. Lee
Substitutions—Glendale, McManus for Warthman; Franklin, Witt for Lee. Referee, Hayhurst.

Fortunatos Win Over Grenfells

Four of the six teams entered in Class A of the Glendale Elks' scratch bowling league were forced to call off their scheduled matches last night on account of absence of a majority of the players due to illness.

The one match which was staged last night resulted in a two out of three victory of the Fortunatos over the Grenfells. To date these two teams seem to be the most evenly matched of any pair in the entire league and last night's games were spectacular from start to finish. Although the Fortunatos were given credit for winning the match they were outplayed in total number of pins by the Grenfells, who knocked over 1559 against 1515 for their opponents. High team game was made by the Grenfells with a mark of 558. Individual honors were equally shared by the two captains, Fortunato copping the high game and the more conservative Grenfell (Continued on Page 12.)

Opening Sale--Seventh Unit at FAIRVIEW Large Lots As Low As \$394 UP TO \$665—NONE HIGHER

A cash down payment as low as \$25, and monthly payments from \$10 to \$15 per month will secure your lot in this beautiful tract.

The preopening of the SEVENTH unit of Fairview last Sunday resulted in people coming from far and near and selecting more than one-third of the homesites offered.

Fairview is located on a beautiful slope in the famous Northwest section of Glendale, one block from the P. E. car line and about one-half mile from the magnificent estate of L. C. Brand.

For desirability Fairview lots must not be confused with any other subdivision. They are not low, or damp; they have good drainage, rich, sandy loam soil, close to the new Grand View School, stores, churches, etc., and yet priced so low it will astonish you for this class of property.

No district or values like this in all Glendale. Come out and see for yourself.

Don't waste your money paying rent; buy a lot, put up a temporary home 50 ft. back from the street, and live in it at once.

An immense development is taking place at Fairview, over sixty homes have been built by our purchasers, and lots in the first unit are already selling for \$200 more than they cost a few months ago.

Neighboring lots are being sold at from \$825 to \$1450, but we do not believe in asking the highest price for this beautiful property; we want our purchasers to make money and it is a source of great satisfaction to us that re-sales in our earlier units are showing handsome profits in so short a time.

The lots in this seventh unit are selling fast. Don't delay. Come out today or come out Sunday if you can't before.

Drive out West Broadway and San Fernando Road to Vine Avenue; then one block up to tract headquarters at Vine Avenue and Fourth Street. Our cars will leave 203 West Broadway at 10 o'clock Sunday morning, and 2 o'clock p. m.

(c) "Chorus of Angels" (Clark); quartet, "Crown Him" (McPhail); selection by Sunday School orchestra. Allan McDaniel, director; offertory, "Meditation" (Lemaigre); quartet, "A Closer Walk with God" (Emerson); gospel solo by Mrs. Retts; postlude, "Grand Chorus" (Dubois).

CASA VERDUGO METHODIST EPISCOPAL CHURCH
Corner of Park and North Central avenues. Rev. J. C. Livingston, pastor. Pastor's residence 1203 N. Central avenue.

Hours of public worship Sunday, February 26, 11 a. m. and 7:30 p. m. Subject of the morning sermon, "Building Character on Borrowed Capital" and for the evening, "The Communion Glorified." Anthem, "The Voice of Many Waters" (Porter). Mrs. I. P. Bullock will sing the offertory solo, "How Beautiful Upon the Mountains" (Harker). Sunday school at 9:45 a. m. The lesson of the day will be preceded by a sermonette drawn from suggestive objects. Epworth League at 6:30 p. m. Come and meet with us. You will be interested in all the features of this rapidly growing work. Follow North Central avenue to "The Church of the Flaming Cross."

METHODIST
First Methodist church, corner of Wilson and Kenwood. Rev. Clyde Monroe Crist, D.D., pastor; Carl C. Seitter, A. B., director of religious education. Church school (graded), at 9:30 o'clock. A. W. Tower, superintendent. Preaching service at 11 o'clock. The pastor's theme will be, "If it is so easy to die, why continue to live?" At 6 o'clock meeting of unit leaders and their assistants; 6:30 o'clock Epworth and Intermediate leagues; 7:30 o'clock the Brotherhood Round Table; at 7:30 o'clock in place of the regular services the Western Jubilee Singers will give the entire program, a sacred concert. The morning music is as follows, with Miss Isabelle Isgrig directing and Mrs. H. W. Randall at the organ. Prelude, offertory in A Flat (Read), Anthem, "Sing Alleluia Forth" (Buck), solo (Selected), Miss Cheryl Miller, March (Barnes). The

church is equipped with the acousticon for the convenience of those who hear with difficulty. It is a friendly church and "seems like home."

Evening—Piano, "Melody" (Forester); offertory, "Prayer" (Engelman); anthem, "Jesus Lover of My Soul" (Nelson); Mrs. Foster, Miss Garner and choir; anthem, "O Paradise" (Nelson); Mr. McMaster and choir; postlude, "Alla Marcha" (Righini).

The man who can do a good job with poor tools some day will have all the tools he needs for any kind of a job he may undertake.

The principal difference between a wise and a foolish man is that the former sees his mistakes before he makes them; the latter not until afterward.

Vocational Bureau of Club Already Proved Practical to Women

The recently organized vocational guidance and placement bureau of the Business and Professional Women's club, of which Mrs. Margaret Biggs is president, and which is in charge of Mrs. George U. Moyse has already proven to be a most practical department of that organization's endeavors. This bureau has been established just a little over a month and more than sixty applications have been received from those wishing to secure employees or employment. About fifteen placements have been made and have proven to be satisfactory. It is anticipated that with the rapid growth of the city of Glendale and the increasing number of business places needing women employees that the work of the bureau will enlarge rapidly.

Miss Winifred M. Hausam, chairman of the vocational guidance and placement bureau of Los Angeles County Federation of Business and Professional Women's clubs, of which the Glendale organization is a part, is expected to return next week from Chicago, where she has been attending the Bureau of Occupation's joint session with the National Association of Deans of Women and with the National Vocational Guidance association. It is expected that valuable information regarding the latest developments in vocational and educational work will be secured for the work here.

Men's Bible Class Out After Big Attendance

The Men's Bible class of Glendale, which meets at 10 o'clock each Sunday morning in the council chamber of the city hall, is planning to make its next session a banner occasion in honor of the return of the teacher, Keith L. Brooks, who has been obliged to be absent several Sundays on account of illness. Members of this class have a strong desire to make it a power for good in the community. The attendance is increasing each Sunday.

A bad-tempered woman can say she is "nervous" and get away with it, but a man who is that way is merely a grouch.

View road entertained a group of
friends today at a bridge tea
given at the Women's University club
in Los Angeles.

Mrs. O. M. McKim of 520 South
San Fernando Road is now employed
as an assistant to W. M. Mills, audi-
tor of the Glendale & Montrose Rail-
way company here.

E. W. Cizek of the Cizek Auto
Electric company, 390 South Brand
boulevard, has sold his home at 446
Oak street and purchased a new one
at 711 East Elk avenue, where the
family is now residing.

Mr. and Mrs. W. B. Davis of 601
North Louise street entertained as
their luncheon guests at the Glen-
dale yesterday and at a social after-
noon at their home Mr. and Mrs. Wil-
liam Hubers of Davenport, Ia.

Mr. and Mrs. J. C. Hall of Victor-
ville returned to their home today
after having been guests for several
days at the home of Mr. and Mrs.
A. R. Goodale of 534 Patterson ave-
nue.

Mrs. Don Russ left Thursday for
her home in Springfield, Mo., after
having been the guest for five weeks
at the home of her brother-in-law
and sister, Mr. and Mrs. Perry E.
Maxwell, 129 Burchett street.

Mrs. Walter Nixon, who is visit-
ing Miss Anne Smith from Havana,
Cuba, at the home of the latter's sis-
ter, is requested to phone Mrs. Wa-
ters at Santa Ana 544-M as both par-
ents are very ill.

Cline W. Winning is now ill at
his home in Springfield, Mo., after
having been at the Harrower
Laboratory. His sister, Miss Eva-
belle Winning, who is employed here
also, has just recovered from a simi-
lar illness.

City, who recently arrived in Glen-
dale and has been a house guest at
the home of Mrs. Oscar N. Denison
of 326 Mira Loma avenue, is spend-
ing several days as the guest of Mr.
Charles Cornell of Los Angeles.

Mr. and Mrs. J. S. Knox of 435
South Central avenue recently at-
tended the funeral at Redlands of
Mrs. Knox's cousin, Mrs. McGill, who
was the widow of Dr. William M. Mc-
Gill, a medical missionary in Korea
for more than twenty years, and who
passed away several years ago.

Mr. and Mrs. W. B. Davis of 601
North Louise street were guests at a
George Washington dinner party
given Wednesday night at the home
of Mr. and Mrs. Glenn C. Peck at La
Crescenta. Covers were laid for
twelve and decorations and favors
were appropriate to the day.

A charming luncheon was given
by Mrs. H. W. Borring of 420 West
Maple street Thursday. Her home
was beautifully decorated, the color
scheme being yellow. The guests in-
cluded Mrs. B. F. English, Mrs.
Ethel Oliver, Mrs. Richard Gilbert
and Mrs. Francis Nichols.

The meeting of the Missionary
Reading Circle of the First Metho-
dist church, which was to have been
held Thursday at the home of Mrs.

Rowe will accompany her daughter
to Riverside today and will remain
there for over the weekend.

Mr. and Mrs. W. B. Liles of Litch-
field, Ky., are house guests at the
home of Mr. and Mrs. J. F. Johann-
sen, 1129 East Harvard street. In
commenting on the building activity
and growth of Glendale Mr. Liles
stated that he was reminded much
of the progress made in towns where
there has been an oil boom.

Comparative Values

—Recently a Minnesota farmer
tried to secure \$50,000 insurance
on a bull calf a week old.

—When I read about that I won-
dered how much insurance that
farmer carries on his own life! If
he has one-tenth of that amount
he would probably tell an insur-
ance man that he carries "plenty
of insurance."

—If that man should be driving
that calf to the County Fair in an
auto truck and they should both
be killed by a train at a crossing,
would the liability of the Railroad
Company be gauged by the value
placed by the man himself on his
own life and that of the calf?

—Your life has a much higher
economic worth than you realize,
and you should insure it in some-
where near the same ratio you do
your houses and other buildings.

ange street entertained as her
guests at luncheon yesterday the
Rev. and Mrs. E. E. Ford, Mrs. M. J.
Piercey, Mrs. Miller, Mrs. Peck and
Mrs. Clephane of Eagle Rock.

Mr. and Mrs. F. Seitz of Kansas
City, Mo., are newcomers in Glen-
dale, and have leased the home of
Mrs. Ida Shock, 624 West Lexing-
ton drive, through the agency of
Mrs. Stella Goodman.

Neil McIver, son of Mr. and Mrs.
John McIver of 1506 East Colorado
boulevard is confined at his home
with influenza. He is a member of
the heavyweight basketball team of
the local high school.

Mr. and Mrs. H. R. Sibley of 718
South Brand boulevard have returned
from a several weeks' trip to Illinois,
Indiana and other eastern states.
They were called to Columbus, In-
diana, by the sudden death of Mr.
Sibley's only sister, Mrs. I. T. Brown.

A group of men and women inter-
ested in the various branches of the
Masonic order are planning to meet
next Friday night at the home of
Mrs. Jennie Phillips, 202 North
Brand boulevard, for the purpose of
organizing a White Shrine lodge.

Glendale musicians are proud to
have one of their number, Mrs.
Catherine Shank of 433 Riverdale
drive, appear as soloist at the Phil-
harmonic concert in Los Angeles to-
morrow. Mrs. Shank is also plan-
ning to give a concert in Glendale in
the near future.

Mrs. P. T. Cook and two little
daughters, Jane and June, arrived
Sunday morning from Ohio. Mrs.
Cook, who is employed at the Wil-
lard Battery Service, has been in
Glendale since August. They have
taken apartments at 615 South Glen-
dale avenue.

An act of Orpheum quality was
presented for the first time at the
Glendale Theatre last night by Es-
telle Deshon and Norma Gregg, tal-
ented to be sure, but with a musical
sense and personalities that won im-
mediate favor from a critical audi-
ence.

Mrs. W. W. Hamilton of 327 West
Garfield avenue entertained as her
guests at an afternoon tea yesterday
Mrs. F. J. Elghley of Waterloo,
Iowa, Mrs. Mattie Mason and Mrs.
George Sunday of Los Angeles, Mrs.
F. J. McDonald and Mrs. S. W.
Jamieson of Glendale.

Miss Cymbel Taylor, of 1702 South
Flower street, Los Angeles, is visit-
ing at the home of her sister, Mrs.
Allie Anderson, 1125 East Califor-
nia avenue. Miss Taylor, who was
formerly supervisor of domestic sci-
ence in the Glendale city schools, was
a visitor at the Intermediate school
Friday afternoon.

Mrs. Stella Goodman of 645 North
Central avenue had a very narrow
escape from an accident Wednesday
morning when driving in north
Glendale. The steering wheel became
unmanageable and only great pres-
ence of mind prevented the car turn-
ing turtle. A call to the Automobile
club brought aid promptly.

Frank Walcott, who sold his home
on Kenneth road very recently, has
purchased a lot on the corner of
Pioneer drive and Central avenue,
and has started the construction of a
six room bungalow. When this is
completed, he plans to build a sec-
ond bungalow on the lot adjoining
for one of his cousins.

Mr. and Mrs. Robert McIlwaine of
1019 East California avenue expect
to leave for New York City in a short
time as soon as business interests
here can be adjusted. Mr. McIlwaine
has been engaged in the real estate
business. They will be accompanied
by their son, Robert McIlwaine, Jr.,
who has resigned his position with
the local Ford agency.

Mr. and Mrs. Samuel Fried and
daughter, Miss Nettie Fried, are
house guests of their oldtime friend,
Mrs. Stella Goodman of 645 North
Central avenue. Mrs. Fried is a
student at the Otis Institute in Los
Angeles and with Mrs. Goodman, has
strong hopes of persuading her par-
ents to remain in Glendale until she
finishes her course of study.

Missionary P. A. Penner from In-
dian and his wife and daughter Mar-
iam were luncheon guests yesterday
at the home of Mr. and Mrs. H. P.
Goertz, 247 North Central avenue.
In the afternoon they were visitors
at the home of Mrs. May Dickman
and other Glendale friends and in
the evening were dinner guests of
Mr. and Mrs. G. G. Isaac of 401
North Maryland avenue.

Mrs. James Cunningham of 1206
Florence Place was hostess Thurs-
day to the members of the U. and I. Club.
An interesting paper was read on
"Ranier National Park" by Mrs.
Storer, after which a social afternoon
was enjoyed, and refreshments
served. The Washington's birthday
motif was carried out in decorations.
The next meeting will be at the home
of Mrs. E. J. Morgan, 1125 South
Central avenue.

Dr. F. C. Jones of Los Angeles,
who was calling upon friends in
Glendale Friday afternoon, tells
some very interesting stories of his
childhood days, when he was taken
by his father to hear the Lincoln-
Douglas debates at Freeport, Ill. Dr.
Jones is past 70 years of age and was
of course only a small lad at that
time, but he says nothing else in all
the years of his boyhood ever made
such a vivid impression upon his
mind.

Mr. and Mrs. H. Blumenthal of
722 North Central avenue are leav-
ing tomorrow for San Diego on a
combined business and pleasure trip.
They will be accompanied by Mrs. A.
W. Reynolds of North Orange street
and will visit at the home of her sis-
ter, Mrs. W. H. Friend, at San Diego.

Rev. R. W. Mottern and a group of
Thornycroft boys were the special
guests at the luncheon given yester-
day noon at the regular all day meet-
ing of N. P. Banks Post, G. A. R., of
which George LeClare is commander,
and the Women's Relief Corps, of
which Mrs. E. Kretschmer is presi-
dent. The program of the day, as
well as table decorations and favors,
was along the line of the celebration
of George Washington's birthday.
Talks were given by Rev. Mottern,
Dr. Jessie Russell, Mrs. S. Houdy-
shel, Mrs. Kretschmer and an original
poem by George Sanford.

Dr. Jessie A. Russell and Harold Russell in Realty Business

Dr. Jessie A. Russell and Harold J.
Russell are opening offices at 208
South Brand boulevard under the
firm name of Jessie A. Russell Com-
pany, and will conduct a general real
estate, investment, loans and insur-
ance business.

Dr. Russell has been most active
in club work and political campaigns
and her wide circle of friends in this
city and elsewhere have assured her
of their co-operation in this new en-
deavor. Dr. Russell as chairman of
the civic committee of the Chamber
of Commerce, is a most active mem-
ber working for the betterment of
the community. She has been a resi-
dent of Glendale for a number of
years and is thoroughly acquainted
with business conditions and real
estate values here, which will enable
the firm to meet the demands of a
business of this kind.

United States Facing Big Prosperity Period

By W. H. ATKINS
Written for International News Service
WASHINGTON, D. C., Feb. 25.—
The United States faces a period of
prosperity of longer duration than
the country has known in its history
—a period marked by saner business
methods—Governor P. C. Harding of
the federal reserve board said in his
annual report to Congress.

Governor Harding's diagnosis of
the nation's business condition and
business prospects was linked up
with a review of finances which
reached the end of deflation.

Easing of credit, a more confident
feeling in the investment market and
broader plans of business generally
were cited to Congress as favorable
factors now in evidence.

"For some months past there has
been a marked easing in domestic
rates of interest," Governor Harding
said. "Notwithstanding some unfav-
orable features in revenue laws, the
investment market now is absorbing
securities at reasonable rates, which
could not have been considered a few
months ago."

"Market quotations for Liberty
bonds have steadily advanced until
they are now approaching par. Good
railroad and industrial bonds have
appreciated and there have been
noticeable advances in standard
stocks."

"There are those who believe the
beginning of a revival is not far dis-
tant. When it does definitely set in,
it will be followed in due course by
an era of prosperity."

"In the light of recent experiences,
we should remember that a reaction
will follow sooner or later. If the
flow of the incoming tide can be con-
trolled so that the crest may not be
reached too rapidly, nor rise too
high, the subsequent reaction will be
less severe and the next period of
commercial and industrial activity
will be marked by saner methods,
greater achievement and longer dura-
tion than we have had before."

WE BEG YOUR PARDON

Well, well. Our typist played a
trick on R. B. Tapp of the Auto-
mobile Tire company, 211 South Brand
boulevard, when it was inadvertently
made to appear in yesterday's issue
of The Glendale Evening News that
he deals in other than high quality
tires.

If you don't care what people say
about you, pretty soon they won't
care to say anything.

NAME COMMITTEES FOR NEAR EAST DRIVE HERE

Glendale Will Do Duty Toward Relieving Starving, Says Nathan Rigdon

Glendale will do her duty as a
Christian community towards the
destitute orphans of Armenia ac-
cording to Nathan Rigdon of 224
West Doran street, newly appointed
local chairman for the Near East Re-
lief.

"I was deeply touched at the in-
formation that such suffering ex-
isted," declared Mr. Rigdon. "I had
begun to think that the situation in
Asia Minor was clearing up consid-
erably. However, Guy E. Talbott of
Hollywood, who returned from this
region a few months ago, told me the
other night that the situation instead
of improving was steadily getting
worse on account of the refugee prob-
lem and the influx of refugees to the
larger towns which are crowded al-
ready."

"Mr. Talbott mentioned in particu-
lar one city, Erivan which had a pop-
ulation of only about 20,000 last
summer which has now been in-
creased to 120,000 by refugees flock-
ing to it from the mountain regions
around in order to secure some slight
protection for the winter. This city
is on a plain, higher than the alti-
tude of Denver, at the base of Mount
Ararat which is reported to have been
the stopping place of the ark.
Naturally, it is quite cold there. The
refugees have very little clothing and
in many cases the children have none
at all except what has been given
them by the agents of the Near East
Relief."

The following citizens, each rep-
resenting some civic, patriotic or frat-
ernal organization, have been ap-
pointed to local committee, for Near
East Relief.
Mayor Spencer Robinson, 1234
East Windsor road; Mrs. E. D. Yard,

Biggs, 1508 South Brand boulevard;
J. G. Huntley, 1304 North Highland
avenue; and Rev. O. P. Rider, 208
East Acacia avenue.

Hamlin & Hepburn Expect Big Crowds at Fairview Sunday

"The best district and values in
subdivision" is the claim of E. D.
Hamlin of the seventh unit of the
Fairview tract, which was recently
opened by the firm of Hamlin & Hep-
burn, 203 West Broadway. In com-
menting on the sale of lots Mr. Ham-
lin stated "the seventh unit of Fair-
view is selling with amazing rapidity.
In all of our experience with the six
previous units we have never experi-
enced the demand for these desirable
lots which is being shown in the
seventh unit. The mere announce-
ment last Sunday that the new unit
was offered called people from Los
Angeles, Hollywood, Pasadena, as
well as Glendale, resulting in the sale
of nearly one-half of the tract."

"This seventh unit is the most de-
sirable property we have to offer.
It fronts on Glenwood Road on the
south and Eighth street, which will
be a direct continuation of Kenneth
Road, on the north. Being higher
than the other six units and com-
manding such a sweeping view of the
San Fernando valley and being only
two blocks from the car line makes
it exceedingly desirable."

"If the weather is fair on Sunday
we expect that a great number of peo-
ple will be out to buy. Many of the
people we sold to last Sunday were
folks who had personally looked at
practically all of the other subdivi-
sions on the market around Los An-
geles, and they confirmed what we
have known all along—that there is
no district or values like we are of-
fering in all Glendale or southern
California."

THREE HOMES FOR SALE

Three houses to be removed to
other sites are being advertised in
this issue of The Glendale Evening
News by the grammar school board
of trustees. The property upon
which these homes are located have
been acquired as additions to school
playgrounds. Bids, which will be re-
ceived March 7, specify that the
houses must be removed in ten days
from date of sale. One of them, oc-
cupied by the Henry Henning family,
at 203 East Elk street; the second,
in which the Charles Turck family
live, is at 1013 South Glendale ave-
nue; and the third, which is oc-
cupied by the P. J. Nelson family, is at
409 West Milford street.

Stocks and Markets

NEW YORK, Feb. 25.—The stock
market closed strong today, most of
the active issues holding around the
high levels. United States Steel
was an exception, falling from 95 1/2
to 94 1/2. Studebaker continued promi-
nent, advancing to 100 1/2, and Chand-
ler touched 69 1/2. California Pe-
troleum continued in demand around
54.

Railroad shares also showed a
strong tone. St. Louis and San Fran-
cisco being two points higher to
2 1/2. Texas Gulf showed a gain of
3 1/2 to 46 1/2.

Government bonds unchanged;
railway and other bonds strong.

CHICAGO, Feb. 25.—A buying
fever hit the Board of Trade today,
chiefly because of strength at Liver-
pool and in the Argentine, and
prices were higher.

Wheat closed 2c to 2 1/2c higher;
corn 1 1/2c to 1 3/4c higher and oats
5c to 1 1/2c higher.

GLORIA CARUSO TO HAVE OWN WAY, SAYS MOTHER

Tot Already Displays Talent
Famed Father Boasted;
Career Seems Sure

NEW YORK—Gloria Caruso, two-year-old daughter of Mrs. Enrico Caruso, widow of the famous tenor, is to be a real all-American girl. In spite of the fact that the little girl already has been declared to have a marvelous voice, well suited to the operatic stage, Mrs. Caruso intends to let her daughter follow her own inclinations.

"Personally I am not going to make the slightest attempt to influence Gloria's career," said Mrs. Caruso, in her East Fifty-fifth street home here. "I want her to learn how to swim and dance and play golf, ride horses and be a regular girl. Anyway, she is far too young to decide whether or not she will go on the stage. As young as she is now it is quite impossible to be sure how her voice will turn out."

Already Shows Talent

"She has undoubtedly inherited much of her father's talent. Morris Bagby heard her sing a few days ago and said her tone was absolutely perfect."

"She already shows talent for various forms of music. She spends much of her time listening to the Victrola or piano and has a remarkable memory for note music."

"Mr. Caruso shortly before his death said that Gloria would probably be a singer. The formation of her throat is exactly like her father's."

Will Be Sent Abroad

"When she is a few years older I intend to send Gloria abroad for four or five months every year to study French, Italian and music."

"If she wishes, when she has reached the age of sixteen, she may study for the stage."

"If she does go on the stage she will always have her father behind her. Of course, this will help her in a way, but it means so much further for her to go, because she would have to stand up to her reputation as the daughter of Enrico Caruso."

JUSTICE'S OFFICES MOVED

For the information of those who need the services of or are summoned to appear in the justice court of Burbank township, the citizens will find it located in room 3, 106-A East Broadway with Constable John Seales in charge. Attorney Owen C. Emery, justice of the peace, retains his law offices in room 5 of the same building.

The girl who can use her eyes and ears without using her mouth is always popular.

weighing 560 pounds, was delivered to Buckingham Palace in a motor truck. It took twelve men to handle this bit of pastry. The cake contains 100 pounds of almond paste. It is a masterpiece of the baker's art. The cake now reposes on a great silver stand in the banquet room of Buckingham Palace. A homely touch has been given to the gift display by some of the inscriptions upon the jewelry presents. Queen Alexandra's gift—a magnificent rope of pearls, emeralds and diamonds—was inscribed: "From your loving old granny, Alex."

BRITISH GOVERNMENT PLANS TO DELAY BILL'S PASSAGE
LONDON, Feb. 25.—The British government plans to delay final passage of the bill finally constituting the Irish free state until after the Irish election, it was learned in Downing street today. The bill already has passed in the house of commons on first and second reading.

PRISONER ESCAPES BY DIVE THROUGH TRAIN WINDOW
KANSAS CITY, Feb. 25.—Police and detectives were on a hunt today for George Gernert, 37, who escaped last night from his guards by diving through a Pullman car window. Gernert, arrested in Los Angeles, was en route to Aurora, Ill., where he is charged with the theft of forty-seven automobiles. As the train pulled out of this city and was going at a speed of twenty miles an hour Gernert dove through the window, breaking the thick glass with the impact of his body. No trace of him was found when officers returned to the spot, although they expected to find him dead.

COMMITTEE SHOVS THREE OF TREATIES TO SENATE
WASHINGTON, Feb. 25.—The first step in pushing the conference treaties through the United States senate was accomplished today when the foreign relations committee, meeting behind closed doors, ordered three of the seven pacts reported to the senate. They are: (1) The four-powered Pacific treaty replacing the Anglo-Japanese alliance with the Brandegee-Harding compromise reservation attached. (2) The five-powered naval treaty between the United States, Great Britain, France, Italy and Japan. (3) The submarine and poison gas treaty between the same five powers, abolishing the use of gas in warfare and limiting the usage of submarines.

COMMENT THAT'S ALL

Dealing in Fresh Air
Something for Builders
California's Contribution
Much Food for Thought

By Gil A. Cowan

A WHOLE family asphyxiated at Santa Barbara!

A Pasadena millionaire dead from a similar cause.

Hundreds of other people dying for lack of fresh air these days.

What a vital element oxygen is to life! Everyone should respect science for delivering more of us from death by definitely establishing the fact that our existence depends upon this ethereal substance, as well as water, sunshine and food.

More wonderful, however, is the discovery that oxygen can be bottled with water to five times normal strength. For those shut-ins, office workers and others who starve their bodies of oxygen, it is well that they take heed.

One of the most potent factors in the treatment of influenza and pneumonia cases, according to C. E. Kimlin, business manager of the Glendale Sanitarium and Hospital, is fresh air.

Instead of closing public places, he believes in "opening them up wide"—with every window working and every person who is well keeping so by getting plenty of fresh air.

Had either the Santa Barbara or Pasadena homes of the wealthy been properly ventilated, the news columns of this morning's papers would not carry the announcement of their occupants' deaths.

He is no hot air merchant who deals in the qualities of fresh air, or its equivalent in the matter of oxygen.

In a neighboring weekly paper, a headline reads: "City Trustees Hold Unimportant Meeting." Outside of its poor psychology, such a caption for any civic or municipal session is beyond the point.

Any meeting is important which is attended. It matters not whether it be a Sunday school class, club or council. Human association is important—even in the smoker of a Pullman car or tea room.

Sometimes there is nothing for publication resulting, but no news usually is good news and it will be noted that bad news furnishes the most interesting reading, arguments to the contrary notwithstanding.

Building news interests Glendale because Glendale is building. Here is what The American Contractor of Chicago has to say about the start this country has made this year:

"The way in which construction activity kept up and even increased in volume during the late months of 1921 that 1922 would be ushered in with a good start."

Actual returns for January give more optimistic coloring than the most sanguine expectations, and as far as building permit issues go, January, 1922, stands a record-breaker, far outstripping any previous first month since 1914 and probably before."

Here is what the Southwest Builder and Contractor has to say on the subject:

"The importance of California's contribution to the country's building activity is reflected by the showing made during January. This state's permits for the month were almost one-seventh of the entire country's building volume, more than double that of Illinois, while New York and California contributed nearly one-half of all the building done throughout the country as a whole (42 per cent to be exact, of the aggregate of \$138,000,000 for the United States). San Francisco, with its fine showing of over \$5,500,000, added materially to California's building prosperity for the month, and advancing the northern city to fifth place."

Musically speaking, Glendale has the enviable position of being in the center of art. Hardly a day passes but what some important event is mentioned in the columns of this paper which would stir the music circles of any middle western city of similar size. It is a worthy attribute, this musical inclination, and Pershing's message to America, "Send me more soldiers who can sing," might be paraphrased by the homemaker to read, "Find me a community that sings."

Glancing through the columns of yesterday's issue of The Glendale Evening News, one cannot help but comment on the host of ideas suggested. Dr. Harrower, for instance, undertakes a novel method of getting Glendale's Southern Pacific depot before the proper officials in a novel manner which will command attention. He sent them a photograph, accompanied by facts.

Wyllis Abbot of Venice casts a beacon light toward the amelioration of suburban problems through the good offices of the Los Angeles City club.

Editor James Everington presents his views on peace and expresses the opinion that the world is getting better.

The city council evinces a spirit of co-operation with civic associations to the end that Glendale shall go ahead and prosper.

L. A. Hart tells why this community continues to prosper.

A city's duty to the Near East Relief is pointed out.

Justice for the California Indians is urged.

Did you read and appreciate these things?

H. A. Michel Family En Route to Europe

Mr. and Mrs. H. A. Michel and children, Johanna and Frank, of 255 West Dryden street, left by train this morning for New York City, from which place they will sail for Europe. They will spend about four months in Holland and will also visit Germany, Switzerland, France and England. Upon returning to the United States they will go by train to Flint, Michigan, where Mr. Michel will secure a new Buick from the factory there and complete the overland journey by automobile.

Mr. Michel has been actively engaged in the building and contracting business and states that in the last two and a half years he has built over 125 houses, and is looking forward to a good rest and recreation on this trip.

High School Party Is Chaperoned by Parents

A jolly George Washington party was held at the Odd Fellows' hall last night for a group of forty high school boys and girls and was given by their parents. This was the first of a series of four such events to be given. The committee in charge of last night's party included Mrs. C. B. Guthrie, Mrs. C. W. Houston, Mrs. Thomas Wood, Mrs. Taylor of Eagle Rock, Mrs. A. S. Chase, Mrs. R. M. Brown and Mrs. C. C. Cooper. Orchestra music was one of the features of the evening. Decorations, favors and so forth, were in keeping with the season of Washington's birthday anniversary.

Kitchen Shower Given for Miss Louise Moniot

Miss Louise Moniot was the guest of honor at a kitchen shower given last night at the home of Miss Ernestine Niles, 227 West Colorado street. The gifts were presented to Miss Moniot in a very novel manner. Miss Clara Pogue and Miss Katherine Pogue were dressed as bride and bridegroom, their costumes being decorated with the gifts, and came in while the wedding march was being played. Games and music were enjoyed during the evening and refreshments served. The guests included Miss Louise Moniot, Miss Julia Moniot, Miss Katherine Niles, Miss Carlson, Mrs. Robinson, Miss Mildred Price, Miss Florence Kiske, Miss Katherine Pogue, Miss Clara Pogue, Miss Edith Price and the hostess Miss Ernestine Niles.

Music Section Hears Excellent Program by Trio of Soloists

A very interesting program was given at the meeting of the music section of the Tuesday Afternoon club, which was held yesterday afternoon at the home of the curator, Mrs. Charles L. Marlenee, 301 South Central avenue, by Eli Faggioli, Italian tenor; Dorothy Armstrong Welcome, violinist, and Miss Gertrude Champlain, pianist. Mrs. Mattison B. Jones, president of the Glendale Music club, was the speaker of the afternoon and told of the aims and purposes of the federation of music clubs, to promote and aid American music and artists.

The program included the following numbers: Vocal selection by Mr. Faggioli, accompanied at the piano by Mrs. Faggioli. "But Lately in Dance" (Arensky); "Ave Maria" (Schubert). "For All Eternity" (Mascheroni). "Melodie" (Tosti). Violin selections by Dorothy Armstrong Welcome, accompanied at the piano by Miss Gertrude Champlain: "Song of India" (Rinsky Korsakow). "From the Cane Brake" (Samuel Gardner), and as an encore, "The Land of the Sky Blue Water" (Cadman). Piano numbers by Miss Gertrude Champlain, "Lucia" and "Minuet Antique" (Lebec). Miss Eva Daniels read a poem which had been written by Mrs. Marlenee's aunt, the late Miss Josephine Myers, called "Today."

At the close of the excellent program, which was thoroughly enjoyed by those present, delicious refreshments were served by the hostess, who was assisted by her sister, Dorothy Armstrong Welcome, and a social hour enjoyed.

Mrs. M. B. Jones Will Preside Over Board

Mrs. Mattison B. Jones, president of the Glendale Music Club, will preside at the meeting of the state board of the California Federation of Music Clubs, which will meet Wednesday, March 1, in Los Angeles and will be followed by a public luncheon and conference in the Brown room of the City Club, to which all presidents and delegates of the federated music clubs have been invited to attend. At that time there will be a discussion of the Los Angeles County Federation Music Week. Mrs. Jones states that Glendale has already the reputation of having the greatest number of federated clubs in proportion to the population and is anxious that a large representation of the various organizations be present at that time. Reservations are in charge of Miss Margaret M. Gould, state secretary, who can be reached by phoning 567738.

SPORTS CHATTER

By BILL UNMACK
PACIFIC SPORTS SERVICE

Charlie Paddock personally states that the two-twenty is his favorite distance on the cinders. It is therefore natural to assume that his performances would be superior to the hundred yards. Such however, is not the case and an analysis of the century as against the furlong shows that the champion has run more consistently in the shorter distance, and this notwithstanding the fact that he is credited as being slow out of the "holes."

On five different occasions Paddock has equalled the hundred world record of 9 3-5 but has never beaten it. In the 220 he has equalled the world record of 21 1-5 (former record) only once, but has run the distance in twenty-one seconds once and twenty and four-fifths once, this latter now being the world mark.

Any runner who can step either sprint in even time is acknowledged as a real sprinter. This Paddock has done twenty-five times—even under—in the hundred, but his furlong performances show that he has done even or under only thirteen times in his career. Here are the times made by Paddock in the various years of competition from 1916 to date in the 220 yards:

20 4-5, once; 21 seconds once; 21 1-5, once; 21 2-5, five times; 21 3-5, twice; 21 4-5, three times; 22 seconds, three times; 22 1-5, twice; 22 2-5, twice; 22 3-5, five times; 22 4-5, four times; 23, three times; 23 1-5, three times; 23 2-5, three times; 23 3-5, three times; 23 4-5, three times; 24 1-5, twice; 24 2-5, three times; 25 seconds, three times.

The times given cover the champion's performances since his gram-

The WORLD OVER

The football situation at Stanford university next fall will be watched with unusual interest for the reason that the guiding mind will be several thousand miles removed. While Glenn Warner will not actually take charge in person at Stanford until 1924, yet failure or success of the two pupils of his school of training who will represent him in the interim will rest on the shoulders of Warner. Never in the history of football has such a condition of affairs obtained.

Whether success or failure attends Stanford on the gridiron during the next two years, at least the football men there will have some definite system which they have been unable to do for the last three seasons owing to the annual change in coaches and their individual methods. By the time Warner gets there in 1924, the football men ought to be well grounded, at least in the rudiments of his system and the way paved for him to take hold with his charges well versed in what he expects of them. Thus, the third year, 1924, ought to be a good one for the Cardinal.

The University of California, which for the last four years has scheduled a spring intersectional track and field dual meet, seems to be finding some difficulty in getting some one to come over to the coast from the middle west this year. The University of Wisconsin track team has just sent its regrets and the question seems to be who next?

As a matter of fact, the middle

AUTO CLUB NEWS

A check on the general run of automobile accidents as kept by the safety bureau of the Automobile Club of Southern California reveals the fact that the question of the "right of way" is the greatest menace to the safety of the motorist.

Who has the right of way? Representatives of the Auto Club claim that carelessness in solving this apparent conundrum is responsible for more accidents on southern California highways and streets than any other single factor in road rules.

Out of 750 accidents checked and recorded, 203 were found to be traceable to a violation of the right of way rule. And the club points out that every motorist can easily become acquainted with the law in this regard.

Of course there are other important causes of motor accidents. The cutting of corners is a vital issue, also cutting in ahead of another

Showroom Lease Sold
By Bartlett & French

Demonstrating the rapidly increasing values of business property in Glendale, as reflected in the rentals of such property, Bartlett & French, Hupmobile dealers with sales and service rooms at Harvard and South Brand, have sold their lease at a very profitable figure. Mrs. Eliza Slater, owner of the property, has had many very good offers at ever increasing rentals and finally bought the lease.

Bartlett & French will move their sales rooms temporarily into the new Psenner Doll building at Chestnut street and South Brand about March 1. Their service station will remain in its present quarters until plans which are under way now for the erection of a new building are completed.

STUDEBAKER TESTS PROVE WORTH OF NEW IDEAS

S. C. Packer Tells How Expert On Radiation Obtained His Information

Few persons realize how much effort and thought are required to bring out a new model of an automobile or even make what appear to be slight changes in a current model. According to a newspaper report of a few weeks ago the Studebaker corporation made more than one half a million tests and experiments during 1921 for the development and perfection of their products.

Many of these tests showed them what to avoid in design or materials. Others proved their ideas or choice to be correct. Based on the data obtained by the engineering experimental department the designers and producers were able to improve an already good line without fear of making a mistake in changing it.

Sales Due to Performance

It is an old axiom that "nothing succeeds like success." The successful sales record of the Studebaker in 1921 when it outsold all other makes of six cylinder cars must have been based on successful performance as reported by thousands of owners. This successful performance must then have been based on successful design and production and this goes back to a successful testing and experimental department. So it would seem logical to expect Studebaker to be successful so long as they spend so much time and money to prove the idea right or wrong before they are incorporated in their cars.

According to S. C. Packer, of the Packer Auto Co. here, the San Fernando Valley distributors for Studebaker, many tests were made in California by a member of the experimental department and his work concerning radiation alone. He had a number of thermometers at various points on the radiator so that he could tell just how much of the radiator was required to keep the motor cool.

He also had fans of different kinds with different sizes of pulleys and various widths of belts so that he could make whatever changes were needed for special conditions. He tested the car on the top of the Sierras to the floor of Imperial valley with contrast of cold and torrid hotness. He drove boulevards at high speed and plugged through deep sand wide open in low gear and through all of these tests he found just what to do to make the Studebakers run cool as they do.

CANADA TO SEND FILMS

OTTAWA, Ont.—The Canadian government has made arrangements with one of the largest European distributors of moving pictures in Paris by which France, Belgium and Switzerland will be given an opportunity to see many thousand feet of "Seeing Canada" films.

These films were made under the auspices of government agents at the film plant in Ottawa. They picture all phases of industry and agriculture throughout Canada. Special attention has been devoted to illustrating farming development in the western provinces.

REALTORS BACK OF 'OWN YOUR OWN HOME' DRIVE

65 Per Cent New Construction
Going Into One-Family
Residences, Report

Those familiar with the building activities estimate that in Glendale and other parts of California an average of 65 per cent of the money being spent on new construction is going into homes.

It is significant that stores and family residences embrace seventy per cent of the home construction; eleven per cent for two families and nineteen per cent for "multi-families" or apartments, says the California Real Estate association news department in a bulletin today. At the 17th annual California Real Estate association convention in Oakland, recently, the Own Your Home campaign of the California Realtors was announced. Real estate boards in many cities have applied to the state body to partake in the Own Your Home Drive.

Interesting Deductions
This is said to be an indication that the tendency is toward owning one's home. A very interesting disclosure of the statistics for 1920 on building activities gathered by the Housing Bureau of the United States Chamber of Commerce, which is just made public concerns the proportions, given in percentages, of the different kinds of family dwellings built and occupied.

The figures also indicate that the proportion of "multi-family" dwellings that were provided in 1920 was largest in the small cities which have not had as much experience with this type of habitation, than in the larger cities.

At the same time they show that there were more houses built in proportion to population in the smaller cities than in the larger ones. New accommodation provided in cities under 100,000 population, was one for every 591 inhabitants. The average for all cities was one for every 350 inhabitants.

Vital Interest to Realtors

The various conferences held for the discussion of the many subjects of vital interest to realtors during the holding of the state convention resulted in bringing to light much that will be helpful.

The Own Your Home conference enthusiastically endorsed the plan of realty boards in every community putting on "Own Your Home" shows as an effective method of removing doubts and questions from the minds of people uninformed as to manner and methods of elements which enter into the construction of homes.

Orange Show Stays Open Until Monday

The Twelfth National Orange Show, now under way in San Bernardino will be open until midnight Monday. Weather permitting, it is expected that all attendance records will be shattered tomorrow. It is American Legion day at the exposition. Many motor parties from Glendale will be there.

It is agreed by those who have seen the show this year that the exhibits exceed those of all former shows in beauty and grandeur. The displays are larger in number than ever before.

Great interest has been shown in the fruit displays and the prize winning fruit has been closely scrutinized. It is conceded to be the finest ever offered for exhibition.

One of the prize winning features displays and one that attracts the visitors in great numbers is that of the Hemet Chamber of Commerce entitled "The Heart of Ramonaland?" It is a portrayal of the home of Ramona of Helen Hunt Jackson fame. An aged Indian squaw, vouched for by the Hemet people as the original Ramona, is at the exhibit.

Discovers Mixture to Start Frozen Motors

EDMONTON, Alta.—Prof. Charles A. Robb, of the University of Alberta, it is announced, has discovered an ether mixture which solves the problem of starting motor engines in intensely cold weather.

Opportunity for a final test of the preparation came during a recent cold spell, when the mercury fell below zero. A Liberty-12 motor of 400 horsepower was left outdoors all night and was immovably frozen by morning. The actual time taken to start the engine with the new mixture was seven minutes. When the experiments were begun last year it took an hour and a half to start the same engine, with the mercury only five degrees below.

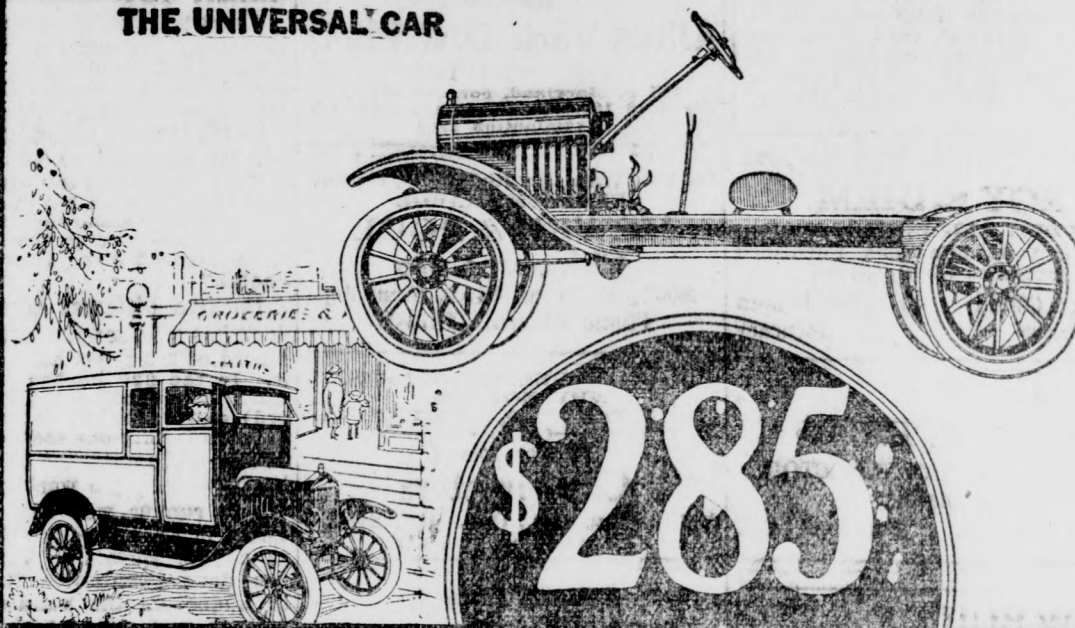

Wireless Amusement At Willard Station

Wireless concerts interest E. W. Cizek of the Cizek Auto Electric company almost as much as selling Willard batteries. He has strung a four wire aerial from the rafters of his service station at 300 South Brand boulevard and connected it to a receiving wireless set which he made several months ago during his spare time evenings. This is the cause of a great deal of amusement by Mr. Cizek. He is able to hear the radio concerts sent out nightly from Los Angeles.

In Your Own Home

—with its cheery atmosphere and unity of thoughts and love is where life's sweetest hours are spent.

—Happiness, independence and contentment in all that these big words imply is visualized most forcibly in the above illustration. Love, congeniality and ideal environment dominate their existence and surroundings and, because of the combined efforts applied in making their home a reality, they are most appreciative of their accomplishment.

Surely no one who is not the proud possessor of an ideal home can study this illustration without experiencing a feeling of regret for past mistakes and delays; however, all the regrets in the world would not contribute the tiny front door bell towards a home. A longing for home life strong enough to encourage its undertaking, then determination to make sacrifices if necessary together with consistent efforts, energy, enthusiasm and will power are the real factors that build and make ideal homes.

Delays are costly, their totals already represent the loss of a comfortable home investment to you; realizing this, why delay and continue piling up regrets, while all around you is evidence of determination, friends and acquaintances who are adopting home ownership not only because they have awakened to a realization of the future, but because they are desirous of experiencing the happiness, contentment and independence that home ownership assures.

It's building time in Glendale now and building materials and efficient labor are obtainable at conservative costs, and we earnestly recommend that you choose plans and start building operations at the earliest possible time.

In years to come can your children refer and look back to their childhood days as being surrounded with proper environments?

PLANS NO. 230 AND 235

A typical colonial bungalow home, simple in construction, yet pleasing and very popular. It is the straight, pronounced lines that attract and make its appeal; and the alternate floor plan offers a selection of room arrangements making it adaptable to the needs of the average family.

The home as shown covers floor plan No. 230 and while No. 235 will develop into just as pleasing a home it will be smaller in appearance because of the width and compactness of the rooms. This is one of the most popular home plans we have featured so far and one that you will be making no mistake in adopting to build from. Additional information regarding any department of the home, plans, etc., will be given by addressing the home building editor, care this paper.

HEADLIGHT TESTS TO BE OFFICIAL HEREAFTER

Auto Trades Association in
Effort to Aid Motorists
Caught by Police

During the past few months police of many cities of the state have conducted raids on motorists, in an effort to eliminate the evil of glaring headlights.

Thousands of motor car drivers have been forced to report to the police officers the next day, and all were told to have their headlights properly adjusted before they took their cars on the highways at night.

The greatest trouble is the lack of knowledge on the part of the motorist, the police judges, garage men, motor car dealers, etc., of proper headlight adjustments and how to make such adjustments stay put.

Realizing the necessity of protecting the motoring public, and providing proper places where headlight adjustments may be made, the California Automobile Trade association will soon establish official testing stations throughout the state.

Certificate Issued

Certificates are to be issued by all official headlight testing stations and will bear the well-known wheel and radiator seal of the California Automobile Trade association. On back of the certificate will be a note to the motorist from the State Motor Vehicle Department, to the effect that the department recognizes such certificates as evidences that the headlights on that car have been properly adjusted on the date mentioned to comply with all legal requirements. The certificate will not, however, absolve the motorist from keeping his headlights in proper adjustment thereafter.

All official testing stations will be carefully selected, and the men who actually do the work, will be educated by illuminating engineers before being allowed to make any headlight adjustments. Under this plan the motorist will receive an intelligent service at all times by uniformed men in equipped stations and without fear of having inexperienced mechanics picked up around the shop experimenting with his lights.

Studied Light Problem

L. E. Voyer and J. T. Templeton, who have studied the light problem for years, will educate the garage men in the proper method of adjusting headlights. These men have invented headlight adjusting apparatus for use in this work, and have perfected a plan of service that is simple and easy to learn.

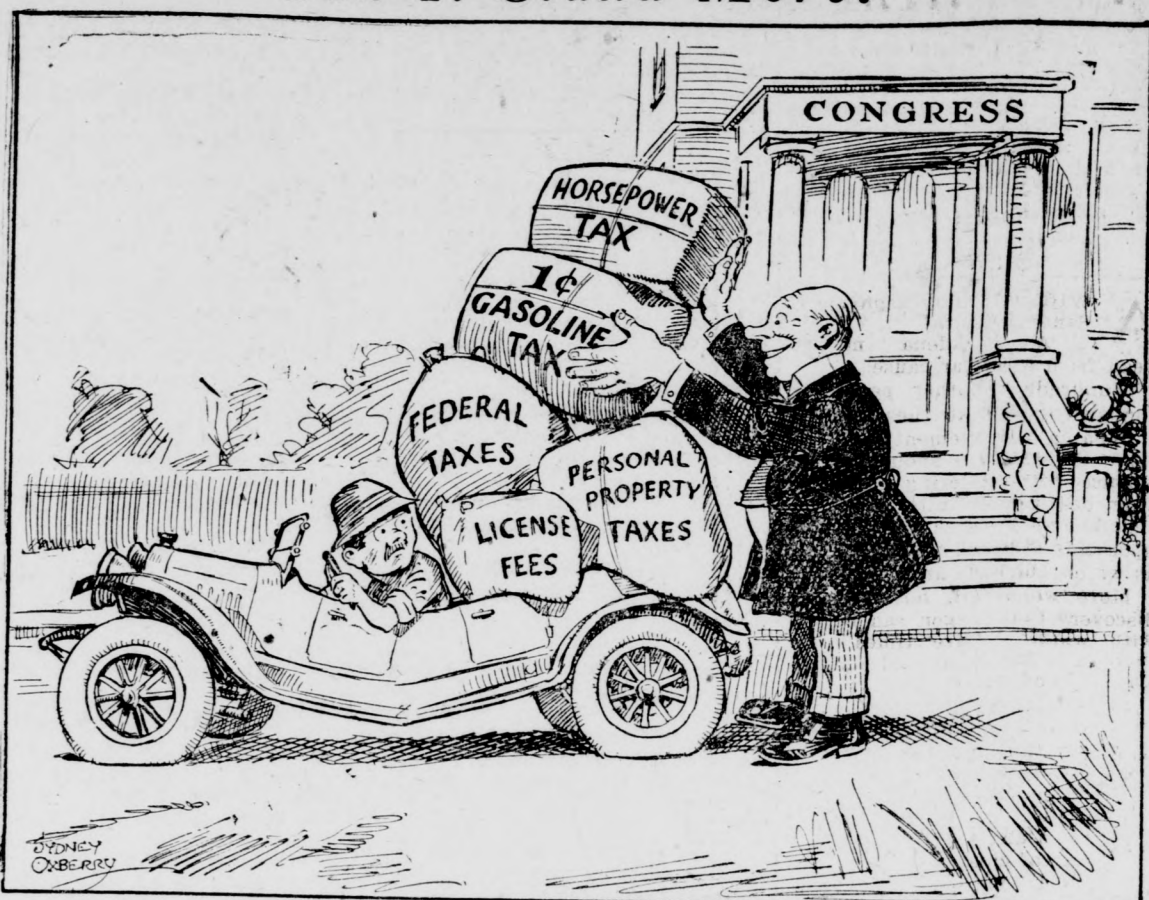

The average driver does not seem to realize that when his headlights are properly adjusted he will obtain better illumination on the road to drive by. On the other hand, many motorists feel that by complying with the law they will be required to sacrifice their own light. This is an erroneous impression and night driving, it is expected by virtue of this service, will be safe and more comfortable for all.

The California Automobile Trade association is composed of 2500 men in the motor car trade throughout the State of California. No one will be allowed to test headlights and issue certificates, however, unless he fulfills the requirements of the association manager, Robert W. Martland, who will have charge of the testing plan. In this way only authorized testing stations will issue certificates, which will protect the motorist from having his headlights tampered with by unskilled workmen and one operating without official authority.

NAUGHT TO PUT ON ICE!

COPENHAGEN—Plans for the abolishment of prohibition have forced the resignation of the cabinet of Iceland, according to information received here today. It was recently reported that prohibition in Iceland was being abrogated because of protests from Spain.

Can It Stand More?

Motor transportation pays over \$300,000,000 in special taxes annually. The Ways and Means Committee bonus tax proposals would add \$120,000,000 more in gasoline and horsepower levies. Motor car and motor truck owners are protesting to Washington that they should not be called upon to pay one-third of the bonus cost, which, if voted, should be paid by a general tax bearing equitably upon all.

Legion Dance Announced

Following a report by Chalmer Day, chairman of the social committee, regarding the recently-staged inaugural ball, it was announced that the next Legion dance will take place in the post hall on Saturday evening, March 11.

Reports were also made by M. Frug of the house committee and A. G. Wheelon of the athletic committee. The latter was notified by the adjutant that a challenge had been issued to the post basketball team by the Young Men's Hebrew association, the contest to take place in the near future.

Commander James F. McBryde announced that Supervisor Wright, who had been advertised as the principal speaker of the evening, was unable to be present on account of an attack of influenza, but that he will be present at a meeting in the near future.

5 MILLION DOLLARS RELIEF

WASHINGTON—Immediate appropriation of \$5,000,000 to purchase seed grain for relief among farmers in crop-failure areas was unanimously approved by the Senate agricultural committee. The committee authorized Senator Ladd, Republican, of North Dakota, to report favorably a bill sponsored by his colleague, Senator McCumber, placing distribution of the funds in the hands of the secretary of agriculture. The bill provides that \$1,000,000 of the fund shall be used to buy feed for starving cattle on the western plains.

Auto Club Repudiates Social Organizations Seeking Its Prestige

That the Automobile Club of Southern California has no affiliation with any alleged "social" motoring organization is announced by officials of the club.

An attempt of recent date has been made to trade upon the name and prestige of the Automobile club by some minor organizations and this warning is issued to the general public to beware of agents or solicitors who are not accredited by the big organization itself.

Advertising blanks of a so-called social club of motor car owners have been spread liberally throughout the southern part of California claiming that the Automobile Club of Southern California would supply information in regard to the activities of the purported organization named on the blanks.

The Automobile club states, through its executives, that it is not aware of the existence of any bona fide social motoring club in this part of the west and that it is unable to furnish information of any nature pertaining to same.

Every effort is being made by the Auto club to protect the general motoring public from frauds of all kinds pertaining to the operation of motor-driven vehicles.

Oklahomans' Picnic Slated for March 4

All who ever lived in Oklahoma are invited to meet for the great annual picnic reunion, all day Saturday, March 4, 1922, in Sycamore Grove Park, Los Angeles. There will be county registers and headquarters so you can find the old neighbors even with five thousand present. There will be a brief program opening about 2 o'clock, but the main purpose will be to have a good time. Milton Bryan will preside.

REPORT APPROPRIATIONS

WASHINGTON—The departments of commerce and labor are allowed \$25,330,084 for the fiscal year 1922-23 under the provisions of an appropriation bill reported to the House by the House appropriations committee. Of this total, the commerce department will get \$18,503,164 and the labor department \$6,826,920.

GOLD IMPORTS FOR JANUARY SHOW DECREASE

Shipping Board Ready to Quit
If Subsidy Fails to Pass
Congress

By U. S. Press Association.

WASHINGTON, D. C., Feb. 25.—Gold imports in January, 1922, amounted to \$26,571,371, which compared with \$31,684,978 in December, 1921, and \$33,633,967 in January last year. Of last month's imports the largest amount, \$10,467,791, came from England, \$4,275,999 from Sweden, \$2,381,294 from Canada, \$1,946,311 from Australia, \$1,874,799 from France, \$1,265,937 from Colombia and \$1,157,528 from Denmark. For the seven months' period ended with January, gold imports amounted to \$271,876,949 in 1922 against \$326,251,053 in 1921.

Exports of gold for January came to \$862,923 against \$2,724,980 a year ago, and for the seven months to \$18,063,796 this year against \$129,572,318 last year.

Silver imports in January this year were \$6,495,758, of which \$3,781,375 came from Mexico, compared with total imports of \$5,515,904 in December and \$4,834,875 in January last year. For the seven months silver imports were \$42,283,965 this year against \$36,815,362 last year.

Exports of silver amounted to \$3,977,118 in January this year, mostly to China and Hong Kong, compared with \$7,145,047 in December and \$6,696,748 in January last year. During the seven months silver exports were \$34,510,922 this year against \$38,185,324 last year.

Shipping Board Troubles

The entire Shipping Board fleet, 1,470 vessels, will be offered for sale, according to Joseph W. Powell, president of the Emergency Fleet Corporation. The Shipping Board is apparently ready to "throw up its hands," unless it can get a ship subsidy bill through Congress. The list of ships to be sold, according to the Powell statement, includes steel passenger and cargo vessels, tankers, refrigerators, former German cargo vessels, former German sailers, concrete cargo and tankers, and steel and wood ocean-going and harbor tugs. They range in size from 20,000 tons downward, and the tonnage to be offered for sale totals about 10,000,000 deadweight tons.

At present world market prices, shipping experts estimate, the price received should average approximately \$20 a ton, a total of \$200,000,000 for the entire fleet. Shipping Board officials believe, however, that passage by Congress of a ship subsidy would serve to enhance greatly, possibly to double, the present value of those vessels.

The original cost of all the ships is estimated at about \$3,000,000,000. They were built during the war.

The U. S. Department of Labor reports that during the month ending January 15, 1922, the cost of food in 27 cities decreased as follows: In Salt Lake City and Savannah, 9 per cent; in Providence, 8 per cent; in Manchester, New Haven and New York, 7 per cent; in Louisville, Milwaukee, Minneapolis, Norfolk, Pittsburgh and Rochester, 6 per cent; in Birmingham, Chicago, Columbus, Peoria and Seattle, 5 per cent; in Baltimore, Kansas City, Little Rock, Philadelphia, St. Louis, Springfield, and Washington, D. C., 4 per cent; in Cincinnati and Indianapolis, 3 per cent; in New Orleans, 1 per cent.

KLAN THREAT MAY BE HOAX

BAKERSFIELD, Cal.—District Attorney J. R. Dorsey expresses the belief that alleged "ku klux klan" warnings distributed at Taft, a center of the Kern county oil fields, were a hoax. He stated an investigation was under way to determine whether a Ku Klux Klan organization existed and so far no evidence of its existence has been secured. The warning, Dorsey said, was directed to "all lawbreakers."

REPRIEVE FOR BLACK JOE
LAWRENCE, Mass.—Black Joe has been granted a reprieve. Black Joe for sixteen years propelled fire apparatus about this city faithfully. However, having killed one fireman, crippled two others and seriously injured more than a dozen, the City Council felt it its duty to pronounce a death sentence.

The sentence would have been carried out had it not been for Mrs. Henry C. Nevin, millionaire widow, who raced here by automobile just in time to intercede for the equine offender. She was given permission to take Joe to her Methuen farm.

Age Gap of Couples to Be Marriage Bar

LONDON—Marriage between persons of "incompatible ages," are to be forbidden in Turkey by the National Government of Asia Minor.

A bill prepared by the health ministry says that all engaged persons must have an "age affinity" adapted to the procreation of robust offspring.

Henceforth elderly men will be disqualified from marrying young women and young men will not be permitted to marry elderly women.

Noodles Fagan Stars At T. D. & L. Tonight; New Bill Tomorrow

The vaudeville road show at the T. D. & L. theatre today has as its headliner the favorite comedian, Noodles Fagan, assisted by his talented partner, Elsie, and the wonder child of the stage, Little Mary. They made Glendale laugh as it has never laughed before. Besides the five acts of variety of exceptional merit the picture, "Nobody," a drama of many unusual situations completes the bill.

A distinct surprise awaits Norma Talmadge fans, who have been accustomed to seeing her in gorgeous evening gowns, when she makes her appearance as a Jamaican girl in "Love's Redemption," the powerful story which is being released as a First National attraction at the T. D. & L. Sunday and Monday.

In addition to the feature there will be Burton Holmes' Travel, Kinograms of latest news interest, a Torchey comedy and usual musical selections—making up an ideal entertainment of two hours.

New U. S. L. Dealers to Repair All Makes of Storage Batteries

Announcement is made today from 120 South Maryland avenue of the opening of the Glendale Battery and Ignition Service.

"We have found that the battery which gives most satisfaction under all conditions is the U. S. L., remarked H. D. Hamm, manager of the establishment, who has had a number of years experience in this line. "Naturally, that is the brand which we have selected."

"Also, we are factory representatives for a number of first class ignition services including the Auto-lite, Delco, Remy, Connecticut, Atwater-Kent, Stratton and Automotive Electrical specialties."

The Glendale Battery and Ignition Service, according to Mr. Hamm, will specialize in speedy and thorough work upon all makes of batteries.

Dancing Party Held at Meeker Home

A congenial party of young people, all of whom are just entering the "teen age," were very happily entertained last night at a dancing party at the home of Mr. and Mrs. Ralph W. Meeker, 1320 East Colorado street, in compliment to their daughter, Evelyn. The rooms were decorated with a profusion of fragrant acacia blossoms. Light refreshments of ice-cream, cake and candy were served. Invited guests were Betty Glade, Helen White, Poria Chambers, Rebecca Brant, Dorothy Forbes, Elizabeth Waltman, Katherine Kitterman, Nellie Jepson, Virginia and Mabel Horner, Jeannette Yarbrough, Wallace Trau, Preston Hanning, Dana Van Loon, Charles Hart, Samuel Colburn, Howard Rottberg, Harold Campbell, Harry Lissner, Frank Wycoff, Leslie Roice, Donald Murray, Drew Walstrom of Los Angeles. The young hostess, Evelyn Meeker, was assisted by her sister, Miss Mildred Meeker.

Dorothy Fisher, 10, Is Host to Ten Friends

Dorothy Fisher, daughter of Mr. and Mrs. James Fisher of 102 East Elk avenue, entertained a group of ten little girls at a party yesterday afternoon in celebration of her tenth birthday anniversary. The guests included Margaret Barrett, Mary Elizabeth George, Grace Balcon, Janet Egan, Martelle McKee, Rhodora McKee, Lucille Solberg, Estelle Sooy, Rosalie Waxman and the little hostess. The color scheme of red, white and blue was carried out in the decorations. Music, dancing and games were enjoyed during the afternoon and refreshments were served.

2000 Rubles Needed to Bring One Letter

NEWARK, N. J.—A registered letter from Russia, bearing enough stamps to have bought an automobile at pre-war exchange, was received at the Newark postoffice today. There were 500 stamps attached to the back of the envelope and held together in strips by metal fasteners. Each stamp was worth four rubles, making the total value of the stamps 2,000 rubles. At the normal rate of exchange, at which each ruble was worth fifty-one and a half cents, the stamps on the letter were worth over \$1,000.

A registered letter may be sent from the United States to Russia for 15 cents.

When you become discouraged and think you can't "come back," think of Rip Van Winkle. He came back after he'd been asleep for twenty years.

His friends generally believe that one who has ready money should be ready to part with it.

VARIETY FROM 1861 DOWN TO MINUTE AT GLENDALE

'The Truant Husband' Also on Bill; Nazimova Coming in 'A Doll's House'

The Sensational Turners offering "A Rolling Sensation," a skating novelty act, will be a part of the variety bill at the Glendale theatre today, Edward W. Ames, "The Man Who Talks Faster Than a Woman," has a great act crammed full of laughs.

Roberts & Fulton present a "Singing and Talking Oddity" while Decoma & Bertelli are "Whirlwind Acrobats" who introduce many thrilling feats. "The Follies of '61" is the feature offering, presented by four veterans, survivors of the Civil War.

A comedy of undisputed excellence is the film attraction today. This latest Hodkinson release, called "The Truant Husband," was written by Albert Payson Terhune, and recently appeared in the Cosmopolitan magazine. That very pulchritudinous young lady, Betty Blythe, is featured together with Mahlon Hamilton and Francis Billington, a former Glendale resident.

Nazimova Tomorrow
Henrik Ibsen's "A Doll's House," which aroused world-wide comment at the time of its first production, and deals with a woman's determination to preserve her individuality, is to be shown Sunday, Monday and Tuesday at the Glendale theatre. It is released by United Artists Corporation and stars Nazimova in the role of Nora, the adorable little wife, whose illusion of home and its duties is so wonderfully displayed. Mme. Alma Stetler, soprano, and Paul Carson, organist, will provide an attractive program at the nineteenth Sunday evening recital.

Mr. and Mrs. Clinton At Home; Wedded at Good Thunder, Minn.

Mr. and Mrs. Henry Clinton are now "at home" in their new residence at 320 East Lomita avenue, following their recent honeymoon trip from the home of the bride in Minnesota. This is Mrs. Clinton's first visit to California. Her husband is proprietor of the Puss 'n Boots Cafe at 211½ South Brand boulevard. He was absent only two weeks—and the temperature in the middle west ranged from 12 to 25 degrees below zero.

Mrs. Clinton, who is the youngest daughter of Mrs. J. P. Schweitzer of Mapleton, Minn., attended St. Margaret's academy at Minneapolis, where she specialized in music, and later attended a teachers' training school in the same city. It was while a resident of Minneapolis that she met Mr. Clinton, whose former home was at Prairie du Chien, Wis., where he attended Champion college.

The wedding was solemnized at 11 o'clock, Wednesday, February 15, 1922, amid a profusion of pink carnations in the home of the bride's sister, Mrs. Will H. Ulrich, at Good Thunder, Minn. Following a wedding lunch, in which yellow jonquils and smilax were the decorations, Mr. and Mrs. Clinton then went to Minneapolis, where they visited at the home of the bride's brother, Peter Schweitzer, for a few days.

Jack Booker Winner in School Election

One of the most hotly-contested elections in the history of the intermediate school took place Friday, when the athletic officers for the spring term were elected as follows: President, Jack Booker; vice-president, Harry Clarke; secretary, Dewey McCourt; boys' yell leader, Edgar Wolbach; girls' yell leader, Virginia Caldwell. They will take office without formal installation.

The office of president was the most closely contested, each of the two candidates, Homer Searles and Jack Booker, carrying over two hundred votes out of a possible five hundred. Homer Searles, who is a member of the A-S-I class, has served as vice-president during the term just closed and starred in the recent intermediate variety show. Jack Booker, the newly-elected president, is a member of the B-8-11 class, and is considered the best all-round athlete in the intermediate school.

Mrs. C. W. Wallace and Daughter Honorees

Mrs. Charles W. Wallace and daughter Mildred, who have been spending the winter as guests of Mrs. Wallace's sister, Mrs. A. E. Eckleberger, of 545 West Pioneer drive, leave Sunday night for Portland, Oregon, where they will visit her brother, Mrs. Wallace was the guest of honor at a luncheon given yesterday at the home of Mrs. Eckleberger. The guests included Mrs. Wallace and daughter Mildred, Mr. and Mrs. Bert Mattiesen, Howard Denison, Mr. and Mrs. Jack Reyberg and son Bobby, Howard and Kermit Eckleberger, and Mr. and Mrs. A. E. Eckleberger. After a few weeks' visit in the north Mrs. Wallace will leave for her home at Elkhart, Indiana.
